Office: 97 HOPKINS PLACE

Field: ELY ROAD

Storage: 408 LONGMEADOW STREET

LONGMEADOW, MASS.

Many customers like to pick out the named varieties they want but do not care to have them put in marked bags. Putting up their order in one bag saves a lot of time and in such cases liberal extras will be added.

At these prices bulbs are sent prepaid anywhere in the United States and Canada except orders below \$2.50 to which add .25 for charges. No orders accepted below \$1.00 as they cannot be filled except at a loss.

The greatest satisfaction in offering this list of Bulbs for 1929 in different sizes and bulblets is that every purchaser is assured young, clean, healthy, true to name guaranteed stock, that there is pride in sending out. I have always aimed to produce stock that will give the best results and the ever increasing list of purchasers, visitors to the field, reports of great satisfaction, comments from visitors and growers who have seen my stock growing and in the bulb storage leaves no doubt of their high quality. Equal to the best produced.

More than a fair share of winnings have come this way in Medals, Cups and Ribbons wherever exhibitions have been made, including Presidents Cup of the A. G. S.; Championship and Achievement Medal of the C. G. S.; A. G. S. Silver Medal.

Order early. Get your friends to put their order in with yours and take advantage of the dozen and hundred rate.

Extras will be added to all cash orders to 10% of total and more on larger orders up to 24 of a kind. **SATISFACTION** guaranteed in every package.

From experience most purchasers prefer substitution. If you do not wish it that way, please state. **ALL ORDERS ARE CASH.**

ALL BULBS GUARANTEED TRUE HEALTHY. LARGE BULBS GIVE BEST BLOOM. MEDIUM BULBS WILL BLOOM. SOME SMALL WILL BLOOM.

Large Bulbs $1\frac{1}{4}$ up; Medium $\frac{3}{4}$ to $1\frac{1}{4}$; Small $\frac{1}{2}$ to $\frac{3}{4}$, 6 at dozen rate, 50 at 100 rate. Bulblets 250 at 1000 rate. Packages contain 15 to 100 bulblets according to variety. Extra value.

LONGMEADOW MIXTURE is composed entirely of fine varieties of high quality. This is very popular and every year is sold out before end of season. This year most of it is spoken for now but I have some medium sized bulbs that will give good bloom. I recommend this and guarantee it.

Large bulbs .75 per doz. \$5.00 per 100.

Medium bulbs .35 per doz. 2.50 per 100.

SPECIAL MIXTURE is composed of higher priced varieties and of exceptional value. Put up under name would cost \$15.00 and more.

LARGE BULBS \$10.00 per 100 \$5.00 per 50.

MEDIUM BULBS 5.00 per 100 2.50 per 50.

BUBLETS vary in germinating qualities. You can have success in growing them to bulbs, but I cannot replace any that do not grow. Everyone takes their chance with them. I have to.
